

## **HealthCare Facilities at Anwarul Uloom College**

Anwarul Uloom college, Mallepally, prioritizes the health and safety of its students and staff by providing essential medical facilities on campus:

The college is equipped with a health center that provides essential first aid facilities and medical assistance to its students

### **On-Campus Health Centre:**

A dedicated health room is available during college hours. It provides:

- Basic first aid
- Initial diagnosis for minor health concerns
- Health records for regular tracking

**Visiting Doctor:**

A visiting physician is available for weekly check-ups.
