PROGRAM REPORT	
Title of the Event	Awareness Program On Road Safety
Event start Date	06-07-2018
Event End Date	06-07-2018
Description	Awareness program on road safety was conducted with a rally at Noble Theatre, malleshpally to create awareness and educate people about Importance of road safety. Students and people also participated and educated on this program.

Road safety is a crucial issue that affects everyone, particularly those who drive on the road. Reckless driving, over-speeding, and drunk driving are the major causes of road accidents that result in loss of life, limb, and property damage. To create awareness about road safety and the dangers of reckless driving, an event was organized at Malleshpally with a rally on 06-07-2018. The objective of the program was to educate students about the importance of safe driving practices, traffic rules, and regulations.

- The objective of the program was to educate people about the importance of road safety, the dangers of reckless driving, and the significance of following traffic rules and regulations.
- The program aimed to raise awareness among people and motivate them to be responsible drivers who prioritize the safety of themselves and others on the road.
- The program also sought to encourage society and people to become road safety ambassadors who can help create a safer road environment for everyone.

Program Report	
Title of the Event	Awareness Program on Anti Tobacco
Event start Date	20-10-2018
Event End Date	20-10-2018
Description	Awareness Program on Anti Tobacco was conducted with a rally at karwan road to raise awareness among the society about harmful effects of Tobacco. Students and local residents of karwan area participated in the event.

Anwarul Uloom College of Business Management organized an Awareness program on Anti Tobacco with a rally on 20-10-2018. Tobacco use is a leading cause of preventable deaths worldwide, responsible for several health issues, including cancer, heart disease, and respiratory problems. As a result, anti-tobacco campaigns and policies have been introduced worldwide to discourage smoking and other tobacco-related behaviors.

- The objective of this is to explore the effectiveness of anti-tobacco campaigns and policies in reducing tobacco use and improving public health.
- This report will examine the various strategies used in anti-tobacco campaigns and policies, their impact on tobacco use rates, and the overall public health outcomes.
- Furthermore, it aims to provide recommendations for strengthening anti-tobacco measures to improve public health.
- The primary objective of the program was to create awareness about the harmful effects of tobacco and encourage public and other people to quit smoking.
- The program aimed to educate the audience about the health hazards associated with tobacco use, the social and economic impact of addiction, and ways to quit smoking.

Description	Awareness program on Noise Pollution was conducted with a rally at Tolichowki area .This program aims to raise awareness on child labor and its negative impact on society. Students and local residents of Tolichowki area participated in the event.

Anwarul Uloom College of Business Management organized an awareness program on Child Labor with a rally at Tolichowki main road on the December 15th, 2018. Child labor is a global problem that affects millions of children worldwide. It is a violation of children's rights and has a devastating impact on their physical, mental, and emotional well-being. Children who are forced to work are often deprived of their childhood and education, which can limit their future opportunities and perpetuate the cycle of poverty.

- The primary objective of the program was to create awareness about the issue of child labor and its impact on the society.
- The program aimed to educate the audience about the various forms of child labor, the causes and consequences of child labor, and ways to prevent it.
- The objectives of raising awareness on child labor are multi-fold. Firstly, it aims to educate individuals and communities on the negative impact of child labor on children's lives.
- Secondly, it promotes the importance of providing children with education, healthcare, and a safe environment, thereby creating opportunities for them to thrive.
- Lastly, it encourages people to take action by reporting cases of child labor and supporting initiatives that aim to eradicate this issue.

Description	Blood Donation Camp: Every Blood donor is a life savior was conducted at Anwarul Uloom College of Business Management campus .This aims in conducting a blood donation camp to promote the importance of blood donation and help those in need. Students and local residents of mallepally area participated in the event.

Anwarul Uloom College of Business Management organized Blood Donation Camp: Every Blood Donor is a Life Savior on the January 19th, 2019. Blood donation is a selfless act that can save lives and make a significant impact on society. Anwarul Uloom College is conducting a blood donation camp under the theme "Every blood donor is a life savior." The camp aims to promote the importance of blood donation and encourage individuals to donate blood. The donated blood can help those in need, including accident victims, patients with blood disorders, and those undergoing surgeries.

The objectives of raising awareness on blood donation through the camp are multi-faceted.

- Firstly, it aims to educate individuals on the significance of blood donation and its impact on society.
- Secondly, it encourages individuals to donate blood regularly and become a part of a larger community that can save lives through their donations.
- Thirdly, the camp can help alleviate any fears or concerns individuals may have about the blood donation process by providing information and a safe environment to donate blood.
- Lastly, the camp can also help create a culture of blood donation and motivate individuals to take up initiatives to spread awareness and organize future donation drives..
