PROGRAM REPORT	
Title of the Event	Awareness program on Depression and its Symptoms
Event start Date	03-08-2019
Event End Date	03-08-2019
Description	Awareness program on Depression and its Symptoms was conducted with a rally at shah ali banda. The program aims to raise awareness about the signs and symptoms of depression, its effects on mental health, and the importance of seeking help. local residents of shah ali banda area participated in the event.

On 03<sup>rd</sup> August 2019, Awareness program on Depression and its Symptoms was conducted with a rally at shah ali banda. Depression is a serious mental health condition that affects millions of people around the world. However, despite its prevalence, there is still a significant amount of stigma surrounding depression, which can prevent individuals from seeking help and receiving the support they need. To address this issue, we are organizing an awareness program on depression and its symptoms.

- The objective of this program is to raise awareness about the signs and symptoms of depression, its impact on mental health, and the importance of seeking help.
- Through this program, we hope to provide individuals with a better understanding of depression and equip them with the tools they need to support themselves and others.
- Participants will also learn about the risk factors associated with depression, such as stress, trauma, and genetic factors, and explore strategies for managing these factors.
- Additionally, the program will focus on the importance of seeking help and support for depression. This may include information on accessing mental health services, as well as tips for reaching out to friends, family members, or healthcare professionals for support.
